

## The Twelve Traditions of Cocaine Anonymous

*The Twelve Traditions comprise the organizational guidelines under which the autonomous groups of C.A. function*

1. Our common welfare should come first; personal recovery depends upon C.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for C.A. membership is a desire to stop using cocaine and all other mind-altering substances.
4. Each group should be autonomous except in matters affecting other groups or C.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the addict who still suffers.
6. A C.A. group ought never endorse, finance, or lend the C.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every C.A. group ought to be fully self-supporting, declining outside contributions.
8. Cocaine Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. C.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Cocaine Anonymous has no opinion on outside issues; hence the C.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of all public media.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

*The Twelve Traditions are reprinted with permission of Alcoholics Anonymous World Services, Inc. Permission to reprint and adapt the Twelve Traditions does not mean that A.A. is affiliated with this program. A.A. is a program of recovery from alcoholism. Use of the Traditions in connection with programs and activities which are patterned after A.A. but which address other problems does not imply otherwise.*

## Preamble

Cocaine Anonymous is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem and help others to recover from their addiction.

The only requirement for membership is a desire to stop using cocaine **and all other mind-altering substances**. There are no dues or fees for membership; we are self-supporting through our own contributions. We are not allied with any sect, denomination, politics, organization, or institution. We do not wish to engage in any controversy, and we neither endorse nor oppose any causes. Our primary purpose is to stay free from cocaine and all other mind-altering substances, and to help others achieve the same freedom.

We use the Twelve Steps of Recovery because it has already been proven that the Twelve Step Recovery Program works.
